

Hampton Pool Christmas Market

Trader Informational

Introduction

This year's Christmas Market at Hampton Pool is set to be an even more spectacular event than before. Building on the success of the previous market, we are excited to bring together local businesses and the community once again. As a non-profit organization, we are driven by the desire to give back to the community, and all proceeds from hosting this event will go to charity.

Christmas at Hampton Pool holds a special place in our hearts. We go above and beyond to create a truly magical atmosphere on our site. From our magnificent 25ft Christmas tree to our carefully curated lighting arrangements, we spare no effort in making Christmas at Hampton Pool an unforgettable experience each year.

Following the overwhelming response and positive feedback from last year's Christmas Market, we knew that we had to bring it back this year. The market was not only a hit with our regular swimmers, but it also attracted local residents, swimming lesson parents, and members of the public who were eager to support local businesses. Our Christmas Market has become a platform that not only generates sales for our traders but also creates opportunities for them to connect with the community.

Our open-air market provides a charming setting for visitors to immerse themselves in the festive atmosphere. Additionally, we have ample parking facilities on-site, making it convenient for both traders and visitors alike.
